

## 2 Port PCI Express FireWire 400 Card

StarTech ID: PEX1394A2

Supporting single lane PCI Express installation, this FireWire 400 card provides data transfer rates of up to 400Mbps, making it an ideal selection for connecting a broad range of devices including external hard drives, DV camcorders, HD video cameras, personal multimedia devices and more.

PEX1394A2 uses a native PCI Express chip that allows for greater performance and a cost-effective FireWire card.

### Applications and Solutions

> Connect high bandwidth multimedia devices with the reliability and speed of FireWire and PCI Express

### Features

- > Compliant with PCI Express Specification 1.0a
- > Compliant With Provisions of IEEE Std 1394-1995 for a High-Performance Serial Bus and IEEE Std 1394a -2000.
- > Easy to Install and use
- > Provides high speed data transfer rates of up to 400 Mbps

### Specifications

The StarTech.com

**Advantage:**

**Support and Resources:** Single point of contact for all your questions; exclusive online tools and free live technical support

**Save Time Sourcing:** A complete selection of high-demand and hard-to-find products from one vendor

**Best Value:** StarTech.com products offer the best combination of features and price

**Exclusive Resources:** Complete product information and tools available at [www.startech.com](http://www.startech.com)

- > Bus Type PCI Express
- > Connector Types 2 - FireWire 6 pin Female
- > Maximum Data Transfer Rate 400000000
- > Carton Quantity 40
- > Shipping (Package) Weight 0.35 lb [0.16 kg]
- > OS Support Windows 2000/XP/Vista
- > Bus Type PCI Express x1
- > Chipset JMB381
